<p><i>Most Current Revision:</i> 4/18/13</p>	<p><i>Page:</i> 1 of 1</p>

I. Purpose:

To establish policy for YADAC contracted treatment providers to ensure that preferential treatment is provided to individuals in the priority populations.

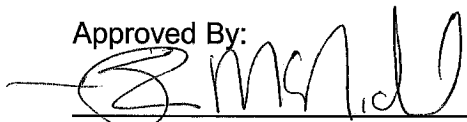

II. Policy:

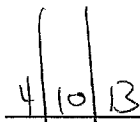

YADAC and its contracted treatment providers will serve an injection drug abuse population and give preference to treatment as follows:

1. Pregnant injection drug users;
2. Pregnant substance users;
3. Injection drug users; and
4. All Other

If YADAC and/or any of its contracted treatment providers chooses/needs to restrict access to assessment and/or admission to treatment, such restrictions, as indicated on the YADAC Maximum Client Benefit document, shall not apply to pregnant women.
